A. Why we collect Personal information?

We collect personal information from you to identify you, to provide you with information required to service you, and to help us deliver a superior career enhancement experience. Information collected enables us to give you convenient access to our service offerings and products, and may help us tailor your career experience at stallion

B. What information do we collect and how do we use it?

Information you provide:

We collect information to provide more effective services. We ask for your name, email address, and other personal information when you register to use certain features of our website. We also may ask for this information at other times, such as when you enter contests or other promotions sponsored by us and/or our partners. If you use a feature that requires payment of a fee, we collect your credit card data or payment account information.

When you use one of our paid products, we track the web pages, and information that has been accessed by you, and store it on our servers. This enables us to track items that you have completed, and those that you need to see.

Cookies:

We send cookies (small files containing a string of characters) to your computer, thereby uniquely identifying your browser. Cookies are used to track your preferences, help you login

faster, and aggregated to determine user trends. This data is used to improve our offerings, such as providing more content in areas of greater interest to a majority of users.

Most browsers are initially set up to accept cookies, but you can reset your browser to refuse all cookies or to indicate when a cookie is being sent. Some of our features and services may not function properly if your cookies are disabled.

Log Information:

When you access our website, our servers automatically record information that your browser sends whenever you visit a website. These server logs may include information such as your web request, Internet Protocol address, browser type, browser language, the date and time of your request and one or more cookies that may uniquely identify your browser.

User Communications:

When you send email or other communication to us, we may retain those communications in order to process your inquiries, respond to your requests and improve our services.

Links:

We may present links in a format that enables us to keep track of whether these links have been followed. We use this information to improve our customized content. Clicking on links may take you to sites outside our domain. We are not responsible for the privacy practices of other web sites. We encourage our users to be aware when they leave our site to read the privacy statements of each and every web site that collects personally identifiable information. This Privacy Policy applies solely to information collected by our website.

Alerts:

We may alert you by email or phone (through sms/call/whatsapp) to inform you about new service offerings or other information which we feel might be useful for you.

Public Forums:

When you use certain features on our website like the discussion forums and you post or share your personal information such as comments, messages, files, photos, will be available to all users, and will be in the public domain. All such sharing of information is done at your own risk. Please keep in mind that if you disclose personal information in your profile or when posting on our forums this information may become publicly available.

Data Security:

If you use a feature requiring payment of a fee, we transmit your credit card data to our bank for processing. If we encounter a problem with payment, we may review the order information with you and our bank to resolve it. We do not otherwise disclose your credit card information. We do not share your email address or your personal information with third party marketers.

We offer secure pages to collect sensitive information on our order form, such as credit card information. While no computer system is completely secure, we believe the measures implemented by our Site/payment partners reduce the likelihood of security problems to a level appropriate to the type of data involved.

We use reasonable technical, administrative, and physical security measures for the purpose of safeguarding all data you share with us. We also have comprehensive internal policies in place to prevent unauthorized access to your data. We take adequate steps to ensure that third parties we share data with also adopt reasonable level of security practices and procedures to ensure the privacy and security of your information.

However, we are not responsible for any loss, unauthorized access, safety issue or any harm caused to you by any misuse of your personal information, unless it is a direct and foreseeable consequence of negligence and non-compliance on our part only. You hereby acknowledge that we are not responsible, in particular, for any third party action or action on your part leading to loss, damage or harm to you or any other person.

The Company shall not be held liable for any loss whatsoever incurred by you, due to unauthorized access to your electronic devices.
